By filling out the form below, an agreement is established to enroll the student indicated above at Natural Connections Academy for the 2022-2023 school year. In order to hold the student's seat for the year, a \$500 deposit must be paid that will be applied towards tuition for the upcoming school year.

We have a very limited capacity for NCA, and we do our very best to make sure we match the children/families to our school with the utmost of care. We limit enrollment to allow our teachers to give the best education possible to students and allow for extra hand-on projects and tutoring when needed.

Please choose your payment choice below:

- ____ Deposit of \$500 paid by June 1st.
- ____ Deposit of another amount (\$____) paid by June 1st.
- ____ Tuition paid in full by June 1st with a 10% discount.

Thank you for choosing Natural Connections Academy for your child's education!
